

swifter	
sicko slow stuff	
fluke	
dismal self-perception	
spookily relevant	
pretty spooked	
regret and self-loathing	
have to leap into	
unattached	
the wanker	
to pool our loathing	
were all paired off	
poky	
a kennel	
defiant gesture	

a futile	
sulk	
aghast	
to splutter	
hold-all	
sobering	
mournfully	
damp	
dingy	
bristling	
smug smile	
will vanish	
embarked	
cohabiting	
these faded
